#1 Catalytic Event

Host a Service Event

Church A partners with Together Chicago and local non-profit partners to host a service event at School A. Together Chicago refers to these events as Love Our Schools Day.

How Can We Serve?

#2 Commit

School Needs / Church's Capacity

During our Love Our Schools Cafe event or during Summer Planning School A tells us their top 1-3 needs. Church A tells us if they have the capacity to serve as needed. At the end of this stage, we know exactly how School A and Church A will partner and who will champion this work on both sides.

#3 Campaign

Share Vision with Key Leaders

School A's champion for this work tells all pertinent staff members what is needed from them for successful partnership. Church A's champion uses the plan created during step 1 to recruit the volunteers needed.

What is the Shared Vision?

#4 Collaborate

Doing & Assessing the Work

Together Chicago offers mentor training for Church A's champion throughout the school year. Thus more, Together Chicago works with Church A and School A's champion for data collection and processing and to ensure the plan is executed with fidelity. Together Chicago will host Love Our Schools Events, throughout the year, to help strengthen church and school partnerships.
